

ABA ONLINE PROGRAMS

Behavior Analysis Professional Practice, M.A.

This 100% **online master's program** meets the Behavior Analyst Certification Board® coursework and degree requirements for the BCBA® credential via Pathway 2. Students can begin the online master's program in any fall, spring or summer semester. The program consists of 33 credits—21 credits from the BCBA required content hours and 12 additional credits. Financial aid is available for students enrolled in this program who take 5 credits per semester.

For students seeking BCaBA certification, we have an “along the way” to completing your Master's degree option. Please contact abaonline@fit.edu to discuss this option with our student services team.
