Online Behavior Analyst Graduate Certificate

Students in the distance programs at Florida Tech
PASS THE BACB CERTIFICATION EXAMS at rates
consistently higher than the national average.

The **Online Behavior Analyst Graduate Certificate** is for students who have a graduate degree and who want to develop professionally by specializing in behavior analysis. Completion of the 21-credit course sequence in this program will allow students holding a minimum of a master's degree from an accredited university and who obtain the supervised field experience required by the Behavior Analyst Certification Board (BACB), to qualify for the Board Certified Behavior Analyst (BCBA) examination via Pathway 2. BCaBA exam education requirements are met after completing semester 4.
